

Poe Magnet Elementary School PTA

Sponsorship Program

Poe Magnet Elementary PTA is introducing a new sponsorship program for the 2016-2017 school year to provide local businesses with a more effective way to introduce themselves to the many families, teacher and staff at Poe Magnet Elementary School.

Our PTA has a rich tradition of focusing all our fundraising efforts on programs and activities that directly benefit our students, families and our school. Annually the PTA funds a variety of programs and services such as:

- ✓ Parent Workshops
- ✓ Student Awards
- ✓ Scholastic Book Fair
- ✓ Classroom Grants
- ✓ Faculty and Staff Appreciation Week

Your **contribution is 100% tax-deductible** and sponsorship donations can be made in any of the following forms:

- ❖ Monetary Donation
- ❖ Professional Services
- ❖ Catered Meal for Special Events
- ❖ Raffle Donations

Needless to say, we highly value our sponsors and will take the appropriate steps to recognize your contributions. We offer tailored benefits at each level of sponsorship and plan to highlight the partnership in multiple formats, including PTA website, social media, monthly newsletter and much more.

Poe PTA sincerely appreciates your consideration of this program and we look forward to building a strong partnership for the 2016-2017 school year. Whatever form your donation takes, it will directly impact our school, students, families and staff.

For more information or questions please contact PTA President, Candice Murray at poeppta1@gmail.com

Thank you for your generosity and support!
